

NEW LONDON VILLAGE COUNCIL

Workshop – Recreation Budget Meeting – Monday, October 24, 2016 @ 6:30 p.m.

Joe Thomas, Park Director, presented his 2016 budget for the Recreation Park Fund. He went over the expenses and revenue line items for the fund. He stated that he would like to purchase a new washer and dryer for the Reservoir Campground laundry facility. He also stated he would like to possibly hire a new employee to help at the park. He is particularly busy during the spring months before the seasonal employees start in June. He also talked about replacing eight roofs that were damaged in the hail storm and he would like to fix the batting cages. In addition, Joe feels it would benefit the reservoir to sell the four small, old cabins and use the profit to build another new, larger cabin. This would free up four new camping spots and also provide another cabin to rent out. Joe also requested the general fund's help in purchasing a new mower.

The workshop was adjourned for the regular council meeting.
