

## NEW LONDON VILLAGE COUNCIL

Workshop – All Other Budget Meeting – Mon., November 26, 2018 @ 6:00 p.m.

---

Shawn Pickworth, Village Administrator, presented his 2019 budgets for the General Fund, Cemetery Fund and all other remaining accounts. He went over the expense and revenue line items for each fund. Each budget was briefly discussed with no significant changes.

It was noted that it was a possibility that the village would have to close its Revolving Loan Fund in the future. Council members questioned what the money could be spent on and they wanted to make sure the village did not lose the money. Shawn Pickworth stated he would do some research on the fund and what the money could be spent on. It was also noted that the Wildcat Café would have their loan paid off in 2019 so there would be no more outstanding loans from the fund.

The workshop was adjourned for the regular council meeting.
