

NEW LONDON VILLAGE COUNCIL

Workshop – Police & Recreation Budget Meeting – Monday, Oct. 14, 2019 @ 6:00 p.m.

Chief Michael Marko presented his 2020 budget for the Police Department. He went over the anticipated general expenses for 2020.

Chief began by stating the only real increase in his budget was for personal services. He also requested to purchase a new police cruiser.

Chief continued to go down through his budget line by line with council with no other significant changes.

Megan Sherlund, Park Director, then presented her 2020 budget for the Recreation Park Fund. She went over each line item with council members. Some of the main topics of discussion were:

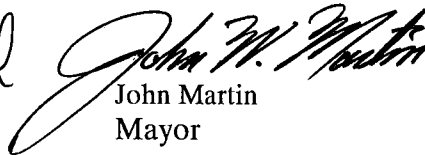

- Electrical Upgrades
- New mower
- Running Finances for Labor Day through a new 501c3 account

Megan Sherlund went over some quotes she had received for a new mower. She also will be getting quotes on the cost of leasing two mowers. The recreation department has one mower that has exceeded the hour limitation and another mower that is very close to exceeding the hour limitation.

The workshop was adjourned for the regular council meeting.
