March 5, 2020

To: All Political Subdivisions in Huron County
From: Art Mead, Emergency Management Director
Subject: Renewal of Contracts for 2020-2021

The contracts that all political subdivisions have with the Huron County Emergency Management Agency will expire on June 30, 2020, and are available for renewal. Along with this memorandum, I have included (1) resolution, (2) contract, and (3) fee schedule.

It has been estimated that the contract each political subdivision has with the Huron County Emergency Management Agency saves each political subdivision several thousand dollars annually in what they would have to pay out for their own coordinator to comply with state mandates. More importantly, the contracts that we have with the political subdivisions set up a partnership for response, information and the sharing of equipment when it is needed.

Since many jurisdictions meet on a monthly basis, we understand if you are unable to reply by June 30th; your coverage will not cease if you are a few days late. **Please keep in mind for next year's budget the amount of your fee may change due to the 2020 census.** If you should have any questions concerning this contract, please contact me at 663-5772.

Thank you for your cooperation.

Sincerely,

Art Mead
